

## FISCAL MEMORANDUM

### HB 662 - SB 967

March 27, 2023

**SUMMARY OF BILL AS AMENDED (006664):** Requires each local education agency (LEA) to maintain a notice of deleted policies on file at the LEA's central office. Establishes that if a person holds an active industry license or credential relevant to a career and technical education (CTE) course as determined by the Department of Education (DOE), then the person may provide instruction to students in the CTE course as long as the instruction provided by the person is supervised at all times by a licensed teacher who serves as the teacher of record for the course. Establishes that a person providing instruction to students in a CTE course is subject to investigation.

### FISCAL IMPACT OF BILL AS AMENDED:

#### NOT SIGNIFICANT

Assumptions for the bill as amended:

- Tennessee Code Annotated § 49-2-207(d) requires LEAs to keep added or amended policies and a notice of each deleted policy on file and available to review in each school library.
- LEA's will be able to meet the expanded record-keeping requirements within existing resources. Any fiscal impact is estimated to be not significant.
- Authorizing certain qualified individuals to, under supervision, provide instruction to students in CTE courses will not significantly impact DOE's processes or procedures. Any fiscal impact will be not significant.
- Teachers are already subject to investigation under Tenn. Code Ann. § 49-5-413, and any costs incurred by the Tennessee Bureau of Investigation in conducting the investigation are borne by the teacher. The investigation requirement will not significantly impact local education agencies.
